**Part II, Line 1 - Method of Accounting**

Renaissance Charitable Foundation Inc. ("Foundation") applies a risk-based approach to its grant making decisions, which is executed per our written Grantmaking Due Diligence Policy. Our overall policy encompasses grants to charities inside the United States as well as to organizations outside the United States. This policy is designed to substantially reduce the danger of our grants being: made to an organization engaged in terrorist activities; used for non-charitable purposes; or made to an organization known by the Foundation to violate its agreements. The recipient of each of the Foundation's grants must agree to fully expend the grant money exclusively for purposes that the Foundation deems are "charitable" purposes.

The Foundation's due diligence activity for grant recipients that are foreign organizations include conversations between the Foundation's officers and the proposed grantee's officers/directors. If both organizations agree to continue working together to consider the grant, the proposed grantee submits an executed affidavit to the Foundation along with supporting documentation that describes the following information about the proposed grantee: organization structure; charitable operations; leadership personnel and structure; financial situation; and procedures upon dissolution. The Foundation's purpose in reviewing such affidavit and supporting documentation is to learn whether the Foundation (or its counsel) can make a good faith determination that the proposed grantee is an organization that could be described in §509(a)(1), (2), or (3) of the US Internal Revenue Code. If the Foundation determines the answer is yes, then the Foundation and the proposed grantee may enter into a formal, written grant agreement, which describes the timing and charitable purpose of the grant as well as the grantee's post-grant obligations. Before making a grant to a foreign organization, the Foundation conducts a terrorist check on both the organization and its key leaders through a third-party service.

**Part V Supplemental Information**

Also complete this part to provide any additional information. See instructions.

**Part II, Line 1 - Method of Accounting (continued)**

**Form 990, Part VI, Line 2 - Business or Family Relationship of Officers, Directors, Etc.**

Two current officers of the Foundation are also officers of Renaissance Philanthropic Solutions Group (RenPSG). All business transactions between the Foundation and Renaissance Philanthropic Solutions Group (RenPSG) are subject to the Foundation's governing documents, including the conflict of interest policy.

**Form 990, Part VI, Line 11b - Form 990 Review Process**

The Form 990 is reviewed by the President and the Treasurer of the Foundation before it is filed. The President is an attorney with extensive knowledge of the rules and regulations governing charitable organizations. The Treasurer is a CPA. The Form 990 is presented to the Foundation's full board of directors after it has been filed.

**Form 990, Part VI, Line 12c - Explanation of Monitoring and Enforcement of Conflicts**

The Foundation's written conflicts of interest policy has been part of the Foundation's bylaws since inception. The Foundation's board monitors and enforces the Foundation's conflict of interest policy. A Foundation director; any entity in which a director has a material interest; or an entity of which a Foundation director is a director, officer or trustee is subject to the Foundation's conflict of interest policy.

Conflicts are identified, reported, and described at the transaction level in the board's written minutes for any meeting in which they are discussed. For each conflict transaction, the material facts of the transaction and the director's interest must be disclosed to the board. A conflicted director may not vote to authorize, approve or ratify a conflict transaction. The board must determine that the conflict transaction is fair and reasonable to the Foundation. Once this determination is made, a majority of the non-conflicted directors must vote to authorize, approve or ratify the conflict transaction.
